Protocol for returning after Winter Break

On January 8th and 9th, students will engage in Asynchronous Learning, which requires them to access their Google classroom and fulfill their daily assignments remotely from home.

In order to prioritize the wellbeing of our students and staff, it is mandatory for everyone to undergo COVID testing on Wednesday, January 10th before returning to in-person learning.

All students must be tested on campus and obtain clearance from the COVID team before being allowed to enter the school premises.

An appointment link will be provided during the week before classes resume.

DONATIONS & Community Service Hours

WE ARE NOW ACCEPTING DONATIONS! DON'T WAIT TO THE LAST MINUTE!

Parents, keep in mind that you must complete your community service hours by the end of the school year. We are accepting **BOTTLED WATER**, Kleenex tissues, hand soap, Clorox wipes, hand sanitizer or anything you would like to donate.

Please bring your receipt so we may validate your donation.
